

LOWER KINNEAR PARK

PROJECT UPDATE * OPEN HOUSE MEETINGS

Join Friends of Lower Kinnear Park (FOLKpark), HBB Landscape Architects and Seattle Parks to see how the community's vision from last year's design meetings has developed into a new plan for the park. Come and learn about the proposed restoration of the forest, the link to the waterfront, trail improvements, tennis court renovation, off-leash area and more. Bring a neighbor with you!

This project is one of fifteen projects that receives funding from the Parks and Green Spaces Levy Opportunity Fund.
